TASKalfa 9002i

BLACK & WHITE
MULTIFUNCTIONAL SYSTEM

ENHANCED
PERFORMANCE...
SPEED MEETS
FUNCTIONALITY.

 **KYOCERA**
Document Solutions

TASKalfa 9002i

HIGH-VOLUME, EXCEPTIONAL QUALITY, UNPARALLELED DURABILITY.

The **TASKalfa 9002i** is a powerhouse black and white A3 MFP (up to 11" x 17"), ideal for high-speed, high volume work environments that require flexibility in hardcopy and digital form. Print, copy, scan and optional fax capabilities combine with enhanced finishing and plug-and-play

business applications in a framework that can scale to meet your business needs. A unique combination of speed, performance, and ease of use will take the end-user experience to the next level, for an excellent return on investment.

A NEW STANDARD FOR PRODUCTIVITY

The superior design of the TASKalfa 9002i brings exceptional image quality and advanced finishing to demanding work environments with its modular platform that enables virtually every aspect of document creation and output to be configured to your needs:

Print speeds up to 90 pages per minute

True 1200 x 1200 dpi print resolution

A variety of robust finishing options including multi-position stapling, booklet/tri-fold and hole punch

Standard 4,150-sheet paper capacity, upgradable to 7,650 sheets; multiple optional paper trays can handle paper sizes up to 12" x 18" at full bleed*

Standard 270-sheet Dual Scan Document Processor with scan speeds up to 220 images per minute in color

Large, easy-to-navigate, tiltable 9" Color Touch Screen Interface (TSI)

*Supports up to 12" x 48" banner from the MPT

OPTIMIZE PERFORMANCE WITH INTELLIGENT FEATURES.

While the TASKalfa 9002i's hardware capabilities and functionality define its day-to-day operation, equally impressive are the features and support that can take it to the next level.

ADVANCED BUSINESS APPLICATIONS

HyPAS Business Applications seamlessly integrate with the device to help streamline/automate business processes and workflow. There are a robust array of applications to choose from to help address your organization's specific needs. Bolster collaboration, mobile access, monitoring and more, while maximizing productivity and minimizing costs.

SECURITY

Standard security features and optional enhancements help protect confidential information, deter unauthorized access and ensure compliance with privacy protocols.

User Authentication

Limit access by requiring a registered login name and password.

Private Print

Temporarily save print jobs in the Document Box, releasable only by entering a user-defined PIN code.

PDF Encryption

Restrict access for displaying, printing and editing PDFs by assigning a secure password.

Optional Data Security Kit

Provides enhanced security via content overwrite and encryption.

KYOCERA FLEET SERVICES

In high-volume print environments, maintenance is critical. KYOCERA Fleet Services (KFS) is a highly secure cloud-based monitoring solution that will help optimize device uptime and reduce costs by offering real-time visibility into...

Device Status

Proactively ensure your fleet operates at peak performance.

Counter Activity

Automatic meter reading for accurate and timely billing.

Supply Levels

View consumable levels to prevent output interruptions.

Usage Trends

Identify usage trends to make informed decisions to optimize your workflow.

GREEN TECHNOLOGY. SMART FOR BUSINESS... AND THE ENVIRONMENT.

The TASKalfa 9002i has been designed to dramatically reduce waste and unnecessary energy consumption, in order to minimize its environmental footprint while keeping your costs under control.

- Long-life technology and durability reduce waste, lower running costs and minimize service interruptions.
- ENERGY STAR® compliant Low Power Mode and Low Sleep Mode, plus Programmable Energy Saver function help reduce energy costs and consumption.
- ECO footPRINT™ Toner Recycling Program, a simple, waste-free solution to responsible disposal.

PERFORMANCE AND FUNCTIONALITY

The TASKalfa 9002i offers the speed, paper handling, and durability you need in high-volume print environments.

	TASKalfa 9002i
Functions	Print / Copy / Scan / Optional Fax
Speed (Letter)	90 ppm Black
Standard Interface	10/100/1000BaseTX, High-speed USB 2.0, 4 USB Hosts, Wireless LAN (comm distance 98.5')
Optional Interface	10/100/1000BaseTX (IB-50: Dual NIC), IEEE 802.11b/g/n IB-51 Wireless LAN (comm distance 328.1')
Print Resolution	Up to 1200 x 1200 dpi
Document Processor	Standard Dual Scan Document Processor / 270 Sheets
Duplex Print & Copy	Standard Stackless
Display Panel	9" Color TSI with Tablet-like Home Screen
Standard / Maximum Memory	4.5 GB / 4.5 GB
Hard Disk Drive	Standard 8 GB SSD + 320 GB HDD
Paper Capacity	Standard 4,150 Sheets, Upgradable to 7,650 Sheets
Maximum Paper Size / Weight	Up to 12" x 18" / 166 lb Index (300gsm)
Standard / Maximum Paper Sources	5 / 8 Including Multi Purpose Tray
Optional Finishing	4,000 Sheet External Finisher (3-position Staple), Optional 7-bin Mailbox, Booklet / Tri-fold, 2 and 3 Hole Punch
Mobile Print Capability	Apple AirPrint®, Google Cloud Print™, Mopria®, KYOCERA Mobile Print™
NFC Support (for Android)	Standard
Wi-Fi Direct & Wireless LAN Support	Standard
KYOCERA Fleet Services (KFS) Ready	Yes
USB Host Printing & Scanning	Supports Direct Printing and Scanning: TIFF, JPEG, XPS, PDF
Toner Yield (@ 6% Coverage)	Approx. 70,000 Pages Black
Maximum Monthly Volume	450,000 Pages Per Month
